AT YOUR SCHOOL, OFFICE OR COMMUNITY CENTRE

GEORGIAN INFO SESSIONS
Offered year-round (one hour)

Tell us about your interests using technology we'll bring with us – the info session will be tailored to these interests. Along the way, we'll cover what's offered at Georgian, how much residence costs, and why our graduate employment rate is the highest in the province.

CAREERS PRESENTATION
January to June (one hour)

Georgian helps bring your Grade 10 career education class to life. Incorporating information on current labour market trends and the exciting careers of tomorrow, we'll bring real-world and postsecondary expertise to help students find their way from high school to the careers of their dreams. Group tours for grade 10 classes available by appointment.

ALTERNATIVES TO THE VICTORY LAP
January to June (30 minutes to one hour)

Let us help your Grade 12 students (and their parents!) discover pathways to success they never knew existed. We'll cover everything from apprenticeships and skilled trades to certificate programs and the benefits of General Arts and Science diplomas. Most importantly, we'll explain the partnerships between colleges and universities that help students achieve their goals.

POSTSECONDARY PATHWAYS
February to June (one hour)

Grade 11 students are finalizing course selections for their last year of high school and are beginning to think about what's next. Postsecondary Pathways will help them navigate the sometimes confusing world of postsecondary education and guide them toward the right pathway for their chosen career. This presentation is suitable for both college- and university-bound applicants.

RETURNING TO SCHOOL AS A MATURE STUDENT
Offered year-round (30 minutes)

We're here to help. This presentation outlines helpful tips and opportunities for mature students thinking about going back to school.

FINANCIAL AID PRESENTATIONS
April to June (one hour)

Discover the real costs of postsecondary education during this financial aid presentation, designed for those about to make the transition to college or university. This presentation covers the cost of being a student, funding resources, the Ontario Student Assistance Program, and handy budgeting tips.

THE FACTS ABOUT COLLEGE DEGREES PRESENTATION
Offered year-round (one hour)

Do you have questions about college degree programs? This insightful presentation introduces you to degree programs offered at Georgian, outlines facts about college degrees, and shows you how to apply to these career-focused and fully accredited four-year programs.
