

BUSINESS

Program: BUSN

Credential: Ontario College Diploma

Delivery: Full-time + Part-time

Length: 4 Semesters

Duration: 2 Years

Effective: Fall 2023, Winter 2024, Summer 2024

Location: Barrie

Description

Students acquire a foundational knowledge of the basics of business, with a focus on managing people and processes. Courses in economics, accounting, marketing, and human resources lay the groundwork for future careers and further studies. Students acquire skills in managing processes and people. Graduates can enter the workforce or continue studies as the program provides multiple pathways into degree and post-graduate diploma programs.

Career Opportunities

Career opportunities may include management trainee/manager, sales/sales management, personnel officer/manager in addition to entrepreneurial opportunities. Employers include banks, finance, trust and insurance companies, computer firms, government ministries and agencies, producers of consumer and industrial products, wholesalers, retailers, private companies and non-profit organizations.

Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. identify and discuss the impact of global issues on an organization's business opportunities by using an environmental scan;
2. apply principles of corporate sustainability, corporate social responsibility and ethics to support an organization's business initiatives;
3. use current concepts/systems and technologies to support an organization's business initiatives;
4. apply basic research skills to support business decision making;
5. support the planning, implementation and monitoring of projects;
6. perform work in compliance with relevant statutes, regulations and business practices;
7. explain the role of the human resource function and its impact on an organization;
8. use accounting and financial principles to support the operations of an organization;
9. describe and apply marketing and sales concepts used to support the operations of an organization;
10. outline principles of supply chain management and operations management;
11. outline and assess the components of a business plan;
12. develop strategies for ongoing personal and professional development to enhance work performance in the business field;
13. employ environmentally sustainable practices within the business environment;

14. apply basic entrepreneurial strategies to identify and respond to new opportunities.
