Description

In this program, students are prepared with the knowledge, skills and professional competencies required for the Esthetics Industry. Students in this program are able to provide spa modalities, such as make up and specialized skin, body and hand/foot treatments. In addition, business applications required to run a small business are emphasized. This program has been designed with the intent to academically prepare students for international testing and to inspire a passion for the health and wellness industry.

Career Opportunities

An esthetician has many opportunities for employment in the health and wellness industry. Graduates of this program may work in a variety of spas, such as day and resort spas, destination and cruise ship spas, salons, and health and wellness establishments. In addition, graduates are prepared for possible employment in many other areas such as in product sales, distributing and retailing of products, product education, spa reception and management, contracting, self employment and consulting positions, pharmaceutical industries, and Dermatologist and Plastic Surgery offices.

Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. perform a variety of specialized body and skin care treatments following correct procedures and precautions and supporting client needs (including and not limited to facials, manicures, pedicures, hair removal, and make up applications);
2. use a range of specialized equipment and products, in compliance with established national, provincial, industry, and other related standards, regulations, policies, and procedures;
3. apply relevant knowledge of anatomy, physiology, and histology to the provision of specialized esthetic treatments and services;
4. adhere to health, safety, sanitation, and infection and prevention control guidelines, according to current legislation and national, provincial, municipal, and industry standards and regulations, and employ environmentally sustainable practices as set out within the industry;
5. identify business skills and apply basic entrepreneurial strategies necessary for the successful establishment and operation of an esthetic business;
6. select and recommend the use of esthetic products and product ingredients to clients, taking into account health status and identified needs;
7. establish and maintain professional relationships in adherence to standards and ethics associated with the profession;

8. develop customer service strategies that meet and adapt to individual needs and expectations in accordance with professional standards and ethics;
9. determine professional development strategies that lead to the enhancement of work performance and career opportunities and keep pace with industry change.

External Recognition

The college and spa clinic are members of Leading Spas of Canada and CIDESCO International. As a member the program follows the policies outlined by these associations. Graduates of this program meet the core competencies to apply for the CIDESCO Diplomat Examination. Successful candidates can use the international designation "CIDESCO Diplomat".

Criminal Reference/Vulnerable Sector Check

Placement agencies require an up-to-date clear criminal reference check and vulnerable sector check prior to going out on placement. Students should obtain their criminal reference three months prior to placement; checks conducted earlier may not be considered current. As some jurisdictions require longer lead-time for processing, please check with the program coordinator to ensure you allow for sufficient turn-around time. It is the student's responsibility to provide the completed document prior to placement start.

NOTE: Individuals who have been charged or convicted criminally and not pardoned will be prohibited from proceeding to a clinical or work placement.

Additional Information

It is required that students have Standard First Aid prior to participating in the Spa Clinic. It is the student's responsibility to ensure that the permit status is valid for the duration of their time in the program.

Applicants must have an up-to-date immunization record in compliance with the Health Canada Guideline Routine Practices and Additional Precautions for Preventing the Transmission of Infection in Health Care and the Ontario Hospital Association/Ontario Medical Association Communicable Disease Surveillance Protocols for Ontario Hospitals. Completion and submission of this record is required prior to clinic placement. Please visit Esthetician webpage for a complete list of permit requirements at www.georgiancollege.ca/academics/full-time-programs/esthetician-esth/ (<http://www.georgiancollege.ca/academics/full-time-programs/esthetician-esth/>)

During lab and clinics, students are not permitted to wear jewelry and must adhere to the professional decorum policy as described in the student handbook. Students are required to purchase uniforms, a student kit containing implements to be used during the course of the program and a make up kit.
