

OFFICE ADMINISTRATION - EXECUTIVE

Program: OFAE

Credential: Ontario College Diploma

Delivery: Full-time

Length: 4 Semesters

Duration: 2 Years

Effective: Fall 2023, Winter 2024

Location: Barrie (Fall, Winter)

Description

Students acquire administrative knowledge and develop skills in diverse technologies to be able to effectively perform in a variety of executive environments. With an emphasis on international relations, diverse clientele, law and ethics, and procurement standards for industry, students have the opportunity to develop supervisory, leadership, and training skills with global focus.

Students in all Office Administration streams enroll in a common first semester. As they gain experience and background, they have course selection options to complement prescribed office administration curriculum and further their interests, skills, and career goals.

Career Opportunities

Graduates of this program are well qualified for a variety of challenging careers and may gain employment in both domestic and international government, education, corporations (all-sizes), entertainment, telecommunications, manufacturing, banking, and numerous professional services. Graduates may hold positions as administrative, executive or research assistants, customer service representatives, information processing specialists, and software applications specialists, with career paths leading to supervisory or office management roles.

Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. conduct oneself professionally and adhere to relevant legislation, standards and codes of ethics;
2. manage the scheduling, coordination and organization of administrative tasks and workflow within specific deadlines and according to set priorities;
3. coordinate the collection, analysis, distribution and response to communications in the workplace to facilitate the flow of information;
4. operate and provide support related to the use, maintenance and procurement of office equipment and technologies;
5. evaluate, establish and administer a variety of records management systems to ensure confidential, secure, accessible and organized electronic and paper records;
6. produce financial documents and reports by identifying and compiling relevant information and using accounting software;
7. prepare and produce a variety of business documents using available technologies and applying industry standards;
8. use interpersonal, leadership and client service skills to respond to diversity and to support the vision and mission of the organization;

9. research, analyze and summarize information on resources and services and prepare summary reports with recommendation;
10. select and use information technologies to support communication with internal and external stakeholders and to promote the organization;
11. organize and coordinate meetings, conferences, special events and make travel arrangements, including the preparation of related documentation;
12. support the implementation of projects by applying basic principles of project management;
13. apply basic entrepreneurial strategies, employing critical thinking and ethics within the Office Administration field;
14. employ environmentally sustainable practices within the industry.
