# RESIDENCE LIFE STAFF

Our Residence Life staff are available to help residents adjust to all of the new experiences that come with post-secondary education, such as how to sign up for classes, what services are available on campus, social activities and events on campus as well as around town, and much more.

## RESIDENCE MANAGERS

Residence managers are available 24 hours a day, seven days a week. They are responsible for the day-to-day operations of the Residence, the safety and security of residents, visitors and staff, the Residence Life Program and the enforcement of the policies and procedures. They are committed to making your time in Residence a positive and memorable experience that will benefit you for life.

## RESIDENCE SERVICES REPRESENTATIVES (RSR)

The RSR is always available to help you with any questions you may have about the Residence and the surrounding area and to sign-in guests. It is the responsibility of the RSR to ensure the safety and security of all residents, including our visitors.

## HOUSEKEEPERS AND MAINTENANCE STAFF

Housekeepers and Maintenance staff are responsible for the daily cleaning and maintenance of all common areas in the Residence. Maintenance will assess Work Requests daily and perform repairs on the building and in suites as required. They also conduct daily preventative maintenance to reduce the probability of deficiencies that may cause inconveniences to our residents, guests and staff.

## RESIDENCE STUDENT COUNCIL (RSC)

As a representative body of the Residence student population, the Residence Student Council (RSC) aims to enhance the Residence experience and foster academic success by practicing high quality student leadership through programming, volunteerism and student support initiatives. The Residence Student Council creates opportunities for Residence students to participate in leadership initiatives, learn valuable new skills and add value to the Residence experience. Students may volunteer on committees, attend meetings or simply participate at Council events. All Residence Student Council positions are volunteer positions.

## RESIDENT ADVISORS (RA)

The role of Resident Advisor is filled by returning students who drive the social activities and community building within the Residence. Resident Advisors provide valuable support and guidance to residents, while at the same time acting as a liaison with Residence Management. The Resident Advisors complete nightly rounds of the building and can be found in the front study room across from Front Desk while on shift. In addition, there are two Resident Advisors per floor community. Resident Advisors are a great resource that possess the tools and knowledge to get you the answers, direction and/ or assistance you need, or can simply be someone to talk to.

## **COMMUNITY ADVISOR (CA)**

The Community Advisor is an upper-year or graduate student with significant experience in Residence Life. The CA is a leader, role model, mentor, resource and support to the Residence Life Staff, the Residence Council and the students in the Residence Community. Their primary role is to foster a community environment that eases the student transition into college and supports the personal and academic success of their students. The CA will facilitate social and educational programs and create a safe, respectful environment throughout the Residence. They will also assist with areas such as roommate conflicts and low level judicial processes associated with the RCLS. The CA is an additional resource for students and will work directly with the RA team to provide direction, guidance and support for the students living in Residence.

# LIVING IN RESIDENCE

## MOVE-IN DAY PROCEDURES

Unless notified otherwise, the first official move-in day commences on the Sunday before classes begin each term.

- Students will arrive and park in the designated area.
- Students will proceed to the designated sign-in area to be checked into the Residence.

At this point the student will:

- Pay all outstanding fees
- Ensure all paperwork is completed
- Receive a move-in package
- Students will then unload their belongings from their vehicle and move their belongings into their room.
- Volunteers will be available to help students move their belongings into residence

## STUDENT RESIDENT AGREEMENT (SRA)

Your SRA is a legal contract. You agreed to this contract when you completed your Housing Portal application and received a copy via email at that time. The SRA outlines your financial obligations as well as the rules and regulations we expect you to follow in order to maintain a secure and pleasurable living environment. It is your responsibility to read the SRA carefully and refer to it throughout your stay. If you have any questions regarding the contents of the SRA, please speak to a Manager at the front desk. **Please ensure you have a copy of your SRA for your records.** If you do not have a copy, see the front desk.

## **ROOM INSPECTION FORM**

When you move into residence you are supplied with a Room Inspection Form, you have 48 hours to complete this form and hand it in to the Front Desk. On this form you are required to note any dirty, damaged, or missing items in your suite. Make sure that all information is filled out and accurate on this form before you hand it in.

When you move out, you will be charged for any dirty, damaged, and missing assets within your room that you have not listed on the Room Inspection Form, so it is in your own best interest to conduct a thorough inspection.

## **INSURANCE**

You are responsible for arranging adequate insurance coverage for all of your belongings. The Residence's insurance policy does not cover damage to or loss of your personal items. You should contact your family insurance agent to determine if you are covered under your parent's home insurance and if so, for what amount.

## **APPLIANCE INFORMATION**

Other than the fridge/freezer supplied in the room, no other refrigeration appliances are to be brought into the Residence. Open element hotplates, deep fryers, indoor barbeques, and fondue sets are prohibited because of potential fire and health hazards (i.e. hot oil, open elements/flames, smoke). Irons, toaster ovens, Foreman grills, electric frying pan, coffee makers, electrical kettles that are protected by an "automatic shut-off feature" may be used. A visible serial number and a CSA or UL identification tag must be present.

Appliances found in rooms that do not have a CSA or a UL identification tag will have to be removed from the residence.

## **LIVING WITH YOUR ROOMMATE**

Many residents come to college with great expectations about their roommate. Hopefully these impressions will be true, but stress levels have a tendency to increase during certain times of the year (i.e. exams). It is important to be aware and appreciate these stressful times as you and your roommate may experience some rough spots. It is very important that you communicate about things early so you can begin to understand each other.

### **DISCUSS ISSUES THAT WILL AFFECT BOTH OF YOU**

- Cleanliness
- Study habits
- Sleep habits
- Music preferences and volume
- Sharing personal belongings
- Overnight guests

### **THINGS TO REMEMBER**

- Keep communication lines open.
- Be honest about how you feel and what you are thinking.
- Be willing to compromise.
- Give your roommate the respect, consideration, and understanding you want in return.
- Discuss problems as they arise with your roommate, not with other residents.
- If things change, be sure to let your roommate know. It is normal for your ideas, feelings, or even habits to change - situations change too.
- Ask your RA for help if you need it.

### **ROOMMATE CONFLICT**

If you have problems with your roommate we recommend that you speak to your RA, they may be able to help mediate the conflict. If this step is unsuccessful please feel free to come to the front desk and speak with a Manager.

## **SUPPORTING YOUR SUCCESS - PERSONALLY & ACADEMICALLY**

Moving into residence is an exciting time, but it can also be difficult. Our residence life program offers you many different resources and services to help you be successful. Go to our website, [www.georgiancollege.ca/residence](http://www.georgiancollege.ca/residence), to learn more about these programs.

### **CHECK YOUR DRINKING**

How much do you drink? Do you drink too much? How do you compare to the average college/university student? Take five minutes to fill out this survey and learn a little about your perceptions and habits related to alcohol. Once you complete the survey it will give you information that may have a positive impact on your perceptions and habits.

# PERSONAL RESPONSIBILITY

## RESIDENCE SECURITY

The residence offers great security from the moment you pass through the controlled main entrance, until you slide your electronic card into your suite door and additionally into your room door to let yourself in. We believe the safety and security of our students and staff is paramount. To that end, we require all visitors in the building be registered prior to entry and provide a valid piece of photo-identification. Security cameras and staff on duty 24 hours a day are also some of the security features within the residence building.

Safety and security is also the responsibility of every resident. All the safeguards and rules put in place by the Residence management and the Institution are for your safety and protection. Circumventing rules by lending key cards or letting in visitors without permission can only lead to problems. Lock your room and suite door at all times and do not leave your valuables unattended as neither the Residence nor the college is responsible for missing items.

Do not leave your suite door open at anytime. This would include having your door "propped open."

### WHY CAN'T YOU LEAVE YOUR DOOR OPEN OR PROPPED OPEN?

Each suite is equipped with a fire rated door that allows for a barrier if a fire was to happen in Residence. The suite door must be kept closed in order to allow for this barrier to work. Staff will remind residents to close their suite door while doing their rounds or close any unlocked door as required.

## ROOM KEYCARD

Upon Move-In, you will be given an electronic room keycard. Keep your keycard with you at all times as it is your access into Residence, your room, and main entrance. Residence Managers and / or staff are not responsible for letting you in your room if you misplace your keycard, however Residents can obtain a lockout or replacement key at the front desk at the residents expense.

If you are locked out of your room, you will need to contact the front desk or your roommate to gain access. Do not lend your keys to anyone! This is a violation of security and you will be subjected to disciplinary sanctions.

## MAIL

Mail is located at the Front Desk. Please inquire with a Residence Services Representative for any letters or packages you expect to be receiving.

## **GUEST SIGN IN/OUT & OVERNIGHT PROCEDURES**

All visitors must be signed in at all times and sign out when they leave. You must come to the front desk to sign your visitor(s) in and out of the building. All visitors must leave a valid photo ID at the front desk when signed in (Health cards and passports will not be accepted, student cards are preferred).

Residents are responsible for their visitor(s) and their actions while they are signed in, and must remain in the company of their visitor(s) at all times. Never sign in a visitor that you do not know. Guests are permitted up to a maximum of two (2) consecutive nights. If you wish to host a guest for longer than two (2) nights, please see a Manager in advance.

### **WHY CAN'T VISITORS SIGN IN AFTER 2:00 AM?**

The 2:00am sign in policy was created to ensure a safe and secure place, reduce noise levels, and limit non-resident traffic flow. It is the resident's responsibility to ensure that their visitors signs out of the facility.

## **WITHDRAWAL FROM RESIDENCE**

If you find yourself in a situation where you can no longer live in Residence, you must speak with a Manager immediately. You are required to submit a Withdrawal Request form at least 5 business days before moving out. You are also required to return your keycard to the Front Desk when you move out.

Moving out of Residence early does have financial implications. Please refer to the SRA for an explanation of your financial obligations.

## **MOVE-OUT**

You will be required to move out of the Residence 24 hours after your last exam. If you decide to remain in Residence after this time you may be charged a "Move-Out Late" fee of \$30.00 for each additional night. Review the move-out package that you receive prior to your move out day. Please note that it will take approximately six to eight weeks after your departure for you to receive your \$200.00 Security Deposit refund less any outstanding fees. Care must be taken to avoid damage to doors, frames, walls, floor coverings, and any part of the Residence during your move-out. Please note that "23 quiet hours" will be in effect throughout the exam week(s).

## **EXTENDING STAY - SUMMER TERM**

During the Summer Semester the Residence is open to the general public for accommodation. It is procedure at this time to move all students to a designated student floor(s). Therefore, if you are living on another floor by the end of the Winter Semester you will be required to move for the Summer Semester. If you would like to extend your stay in residence for the summer term, please apply online via the Housing Portal.

## **NOISE**

The key to successful Residence living is in cooperation with and respect for other students. The volume of voices, TV's, and stereos must be contained within your room at all times.

## **QUIET HOURS**

Sun to Thurs	11pm - 8am
Fri and Sat	1am - 8am
Exam Period	23hrs

## **ALCOHOL AND ILLEGAL ACTIVITIES**

### **ALCOHOL USE**

Alcohol may be consumed only by those persons, whether a resident of the Residence or not, who have attained the minimum age under applicable provincial law and shall be consumed only in such areas of the Residence as may be designated by the Institution or the Manager. Residents and their visitors who violate this policy may have any and all alcohol confiscated by the Manager. The Resident accepts responsibility for any damage resulting from the use of alcohol anywhere in the room or in the Residence. Alcohol sold in individual single serving glass containers (i.e. beer bottles, coolers, etc.) or kegs (of any size) are prohibited from entering the Residence and will be confiscated by the Manager. Residents are permitted to bring plastic or aluminum cans into the Residence. As the safety of the Resident and the Residence community is paramount, the illegal use or abuse of alcohol will not be tolerated.

### **ILLEGAL ACTIVITIES**

While in the Residence, the Resident and the Resident's visitor(s) shall not use, consume nor permit to be used or consumed any illegal, controlled or banned narcotics or substances, or engage in or permit to be engaged in any illegal activity of any kind anywhere in the Residence.

The Resident acknowledges that the Manager or its agents may enter the Room without prior notice (whether or not the Resident is present). Any Resident charged and convicted under the Criminal Code of Canada as a result of any of the above will have their residency terminated immediately, without any financial compensation to the Resident.

### **SMOKING POLICY**

Smoking is not permitted anywhere in the Residence or on or about the lands on which the Residence is situated, except as permitted by the Institution or municipal by-law.

To increase open communication between residents and Management, a forum will take place within the Residence every two months or as directed by the management. Residents will have the opportunity to express their thoughts and provide recommendations to improve the quality of life in Residence. If residents do not feel comfortable attending the meeting, they are able to contact a forum representative (i.e. Residence Student Council member, RA, Community Advisor or Management) to express their concerns and suggestions for improvement.

## RESIDENCE REWARDS - COMPETITION, SPIRIT, COMMUNITY, PRIZES

Residence Rewards is a competition based on individual and community involvement in the Residence. The building is divided into 'Communities'. These Communities, and the individuals within them, compete for 'points'.

### HOW DO YOU GET POINTS?

Points are awarded for helping to build a better Residence: getting good grades, attending events, recycling, helping Residence Life Staff, volunteering, study groups... If it helps make Residence a better place to live, it probably has a point value!

### WHAT DO YOU GET?

The top students win a gift certificate that ranges from \$25 up to \$50 depending where they stand at the end of the rewards period. The Community with the most points wins an additional prize.

### WHAT ELSE DO YOU NEED TO KNOW?

Earning points is easy - participate in Residence events, get good grades, attend information sessions, volunteer your time, be a good resident! You can check at the front desk to see how you're doing, follow your score, and find out how to accumulate more points!

## EMERGENCY PROCEDURES

Georgian College and the staff of Campus Living Centres (CLC) are committed to making your stay at the Georgian Residence and Conference Centre as safe as possible. Our well-trained, professional staff is dedicated to working with you to ensure a high level of public safety.

We hope the information below will heighten your awareness of the fire procedures for this building and clarify what is expected of you in the event of a fire alarm. These procedures apply to all occupants of the Residence, including but not limited to students, guests, visitors, Georgian and CLC employees, Faculty, and service providers/contractors.

### THE FIRE ALARM SYSTEM

The Residence is monitored by a fire alarm system that can be activated by an automatic detector (smoke, heat or sprinkler) or by a manual pull station. The fire alarm will sound a pulsating alarm notifying residents to evacuate the residence immediately using an appropriate exit path.

The main purpose of a fire alarm system is to notify building occupants and officials of a fire emergency. The Fire Department, Georgian College Security, other required emergency services, Resident Advisors (RAs) and other Residence Staff are also summoned to respond and assist in the emergency.

### EMERGENCY NUMBERS

**POLICE, FIRE, AMBULANCE:**

911

**Campus Security**

ext. 5100 or 705-722-5100

### PERSONS WITH DISABILITIES

People with disabilities and/or impairments are encouraged to advise management at the Residence of their situation if they believe they may need evacuation assistance in the event of a fire alarm. It is also strongly recommended that they familiarize themselves with the evacuation procedures and the emergency exits. Persons with disabilities are the best source of information on their condition and needs. When offering or soliciting assistance for people with disabilities, have them direct you on the best way to help.

### MOBILITY IMPAIRED

Unless there is imminent danger, untrained people should not attempt to lift anyone down or up the stairs. If someone uses a wheelchair or can walk but cannot come down the stairs:

1. Follow their directions and assist them to the best of your ability;
2. Direct them, or arrange assistance for them to be taken to the nearest accessible exit.

### HEARING IMPAIRED

Individuals who are deaf or hard of hearing may not hear audible alarms, so it is important to inform them of what is happening around them. If you are hearing impaired and would like a visual strobe fire protection device or a bed shaker in your suite please see management. Use the following points to assist:

- Gain their attention - tap them on the shoulder, turn lights on/off, wave your hands.
- If possible, give them brief, written instructions or indicate through gestures that there is an alarm and that they must evacuate, i.e. point to a fire alarm or fire evacuation sign.
- If necessary, help them proceed to the nearest exit.

## **VISUALLY IMPAIRED**

People with visual impairments may become disoriented, and may not know where to proceed during an emergency evacuation. Use the following points to assist them.

- Gain their attention through vocal or physical methods.
- Explain the nature of the emergency.
- Guide them towards the nearest safe exit.
- While guiding them to safety, tell them where you are going, and advise them of any obstacles, e.g., stairs, change in grade, when going through doors, etc.
- Once safe, orient them as to where they are and offer further assistance.
- Stay with them until the emergency is over. Do not leave them in unfamiliar territory.

**If you cannot leave your area, or have taken refuge because of heavy smoke, remain there and:**

- Dial 911 and give Barrie Fire Services the building address (101 Georgian Drive) and your location including the floor and room number, or contact Security at 705-722-5100.
- Seal all cracks where smoke can enter, using a wet towel or sheet if possible.
- Keep low to the floor if smoke enters the room.
- Move to the most protected area of the room preferably near a window (if applicable) so you can signal firefighters by waving a piece of clothing or other material to get their attention.
- Wait to be rescued. Remain calm. DO NOT panic or jump.

## **FALSE FIRE ALARMS**

Causing false fire alarms is a crime and can cause serious injury or death as they delay firefighters' response to victims of real emergencies elsewhere. This crime also disrupts the normal operation of the Residence, incites undue fear in the young children who may be on site, and contributes to complacency toward future alarms and evacuations.

Everyone is asked to assist us in stopping false fire alarms. If you have any information please report it to Campus Security at 705-722-5100, Barrie Fire Services, Barrie Police Services or Crime Stoppers. Rewards for information leading to the arrest and conviction are available from Crime Stoppers and the College. In order to help deter false alarms video surveillance has been installed in specific locations. If you see anyone tampering with pull stations or any fire equipment, please contact Campus Security immediately.

## **HEALTH EMERGENCY PROCEDURES**

Take the proper steps if you or a friend needs emergency health care while in the Residence. Call "0" for the Residence Services Representative and request that an ambulance be contacted. Provide the front desk with your name, room number, location, and brief details of the problem. This will allow us to direct emergency service personnel to you as quickly as possible. Remember that all Residence staff are trained and available to you 24 hours a day. Put your safety first!

## ALARMS/SMOKE DETECTORS

Residence suites are equipped with two types of fire alarms, both an audible smoke detector and a heat detector.

The **smoke detector** is activated by minor smoke within the suite. Once the smoke detector has been triggered, only the alarm within the suite will be activated. Do not open the door to the hallway. Open your windows and bathroom door to clear the smoke from the room. If the smoke is serious, exit the room and inform the front desk.

The **heat detector** is set off by excessive heat within the suite. Once the heat detector has been triggered, it will set off the main building alarm, and everyone must evacuate the Residence.

The Residence hallways are equipped with a smoke detector/heat sensor. Minor smoke or excessive heat will activate the building alarm. Everyone must evacuate the Residence immediately. If someone activates the building alarm; under the Provincial Fire Code, a fine could be applied.

The Fire Department has a zero tolerance regarding smoke alarms that are tampered with. Please note the Residence staff will be testing the smoke detector regularly in your suite. Testing the smoke detector ensures that it has not been intentionally disabled. Any occurrence could result in disciplinary sanctions from Management and/or a charge under the Fire Protection and Preventions Act with a maximum fine of \$25,000.00.

## ENERGY AND WASTE REDUCTION

We at Georgian College Residence are dedicated to saving energy and helping the environment. Because of rising costs of energy and depletion of natural resources we are trying to be a more energy efficient/conscious building. Please read over these tips and try to put them to use.

### HEATING & COOLING

- To save money on heating costs, reduce the temperature when you're away.
- Keep blinds, shades, and drapes closed during the hottest part of the day in the summer. (And open blinds on sunny winter days!).
- Do not block your vents, the vents allow air to circulate.
- You can turn off the AC when you leave for the day. Contrary to popular belief, this method uses less electricity than having the AC constantly maintain a cool temperature!

### WATER HEATER

- Let us know if your faucets are leaking – the little drips can add up.

### REFRIGERATOR

- Set the temperature for only as cold as you need.
- Don't overfill the refrigerator, as this blocks air circulation.
- Conversely, a full freezer will perform better.
- Allow hot foods to cool before putting them in the refrigerator.

### COMMON KITCHEN

- When using the stove, be sure to put lids on pots in order to keep the heat in the pot.
- Use an electric kettle or microwave to boil water – not the stove, which is less efficient.
- Don't use a bigger pot than you need, and match it to the right size element.
- A general rule: for smaller cooking jobs, use smaller appliances (i.e. instead of the stove, use the electric kettle, toaster oven, or microwave).
- Microwave ovens use up to 75% less energy, so whenever possible use a microwave instead of your stove or oven.

### CLOTHES WASHER

- Run full loads whenever possible but don't overload the machine.
- Try using cold or warm water, instead of hot water. Hot water shrinks and fades your clothes, and wears them out more quickly.

### CLOTHES DRYER

- Separate loads into heavy, medium, and lightweight items – lighter loads will take less drying time.
- Clean the lint filter after every load. A clogged lint filter can increase energy use up to 30%, and may be a fire hazard.

### MISCELLANEOUS

- Computer and related components use electricity even when they are not in use.
- Plug each computer component into a power bar that can be shut off.
- Make sure you enable your computer's energy-saving features.
- Be sure to at least shut off the computer screen, as 60% of the power used is by the monitor!
- Less energy is consumed when computers and monitors are turned on and off (as often as required) then when left on over time. In fact, all electronic devices use more energy when left on, as opposed to being turned on and off as needed.

## LIGHTING

- Turn off lights whenever you leave a room or don't need them, even for just a few minutes.
- Opening your blinds is a free way to brighten up a room.
- Keep light fixtures clean – a cleaner fixture is a brighter fixture.
- Contrary to popular belief, less energy is consumed when lights are turned on and off as you come and go than if a light is left on all the time.

## HELP SAVE ENERGY!

1. Turn off lights when you leave.
2. Turn off televisions, computers, and radios when you leave.
3. Turn thermostat down or off when you leave.
4. Keep air circulation vents unobstructed.
5. Conserve water wherever possible.
6. Use windows and blinds for natural lighting and climate control.

## RECYCLING

Recycling is important for a lot of other reasons. Every recycled glass jar, pop can or newspaper helps to protect the environment. For example:

- using recycled paper to make paper products requires 65 per cent less water;
- recycling 1 tonne of newsprint saves 19 trees;
- recycling 1 tonne of glass reduces the equivalent of 1,057 kilograms of carbon dioxide emissions (carbon dioxide is one of the greenhouse gases which causes global warming)
- recycling 1 pop can saves enough energy to power the average television set for 108 minutes.

## WHAT CAN I RECYCLE?

1. Metal cans
2. Glass jars and bottles
3. Plastic containers
4. Aluminum trays and foil
5. Newspapers, magazines, books, phone books
6. Milk and Juice cartons
7. Cardboard

## WHAT CAN'T I RECYCLE?

1. Coffee cups
2. Styrofoam
3. Dishes
4. Plastic tubs (used for leftovers)

## COMPACT FLUORESCENT LIGHT BULBS

Each room has been fitted with compact fluorescent light bulbs. Compact fluorescent light bulbs last up to ten times longer and use 75% less electricity than an equivalent incandescent light bulb. Global warming is caused by greenhouse gases such as carbon dioxide, a by-product of all types of energy consumption. By using energy more efficiently we can help to reduce the rate of climate change and the damage to the environment. According to the Energy Star program, if everyone in the U.S. replaced one regular light bulb with a compact fluorescent, it would have the same effect as taking one million cars off the road.

# RESIDENCE COMMUNITY LIVING STANDARDS

The residence community is a place that promotes a safe and peaceful environment that supports the academic success of Residents as well as their personal and social development. We aim to ensure that it is inclusive, responsible, and respectful. The Residence Community Living Standards (RCLS) has been created in consultation with students and staff at colleges and universities across Canada to ensure the residence environment achieves this goal.

Within the RCLS, the following items are discussed and defined:

- 1. Objectives of the Residence Community Living Standards** (our goals for the community)
- 2. Rules that Affect You in Residence** (residence rules, Georgian College policies & Canadian laws)
- 3. Residence Citizenship** (your rights, responsibilities and privileges)
- 4. Offences and Sanctions** (rules and consequences)
- 5. Judicial Procedures** (incident reports, meetings, and appeals)

## 1. OBJECTIVES

- To create a safe, secure, responsible and respectful community by outlining the positive standards of behaviour expected within the residence community and holding Residents and their Guests accountable for behaviour that violates these standards and encouraging Residents to resolve their community living issues in a mature fashion.
- To create an environment conducive to academic success by promoting behaviour among Residents and their Guests that creates an effective learning environment.
- To create an environment conducive to personal growth and development by educating Residents about the effect that their choices may have on themselves and others around them and providing Residents with an opportunity to learn from their behaviour.
- To create a fair environment by following the Principles of Natural Justice and Procedural Fairness and clearly defining the standards and processes that Residents, Guests and Staff are expected to follow.

## 2. RULES THAT AFFECT YOU IN RESIDENCE

Residence policies and procedures are related to where and how a student lives in Residence on Georgian College's campus. These are detailed in the Student Residence Agreement, the Residence Handbook and the RCLS. Georgian College policies and procedures are related to an individual's status as a student of Georgian College and their behaviour on campus, which includes residence. Therefore, as a residence student your actions in residence can also affect your academic status.

Municipal, Provincial and Federal laws and by-laws are related to you being a citizen in the city, province and country. The standards outlined by Residence and Georgian College are informed by these laws. Residence and Georgian College Staff aim to ensure that all of these standards of behaviour are respected and maintained.

Normally the Residence policies and procedures and Georgian Colleges policies and procedures act independently of one another. However, Residence shares all reports alleging level 2 and 3 offences with Georgian College. In situations that create a concern for the safety and security of students in residence and on campus, all important information will be shared between appropriate Residence and Georgian College officials. In serious cases, allegation(s) may be investigated by both the Residence and Georgian College and the student will be subject to the sanctions under both sets of policies and procedures.

For more information about Georgian College policies and procedures please refer to the Academic Policies webpage ([www.georgiancollege.ca/admissions/policies-procedures](http://www.georgiancollege.ca/admissions/policies-procedures)).

If you have questions about Residence policies and procedures please contact the Residence Life Coordinator or General Manager.

## **SCOPE & APPLICATION**

The RCLS apply to all Residents and their Guests. They are in effect:

This includes any behaviour observed or carried out through an online medium, by using text, audio, video or images, including but not limited to Facebook, YouTube, MySpace, and Twitter will be treated as an Offence detailed within these standards.

## **AUTHORITY**

The RCLS is intended to be clear to all readers. If you have a question, consult Residence Management, as they have the authority to interpret the Standards.

The RCLS attempts to identify a range of behaviours that constitute Offences. Residence reserves the right, in extraordinary circumstances, to identify and sanction conduct that may not be specifically described, but which clearly does not support the stated Objectives of the RCLS or Georgian College Polices.

## **PROTECTION OF PRIVACY**

Residence respects the privacy and personal information of residence students and will comply with the Freedom of Information and Protection of Privacy Act regarding the gathering, retention, safeguarding and disposal of personal information.

All concerning behaviours and allegations of offences documented in Incident Reports will be made available to the Resident, Campus Security, the Office of the Dean of Students, and the office of the Vice President, Student Engagement, upon request.

## 4. OFFENCES AND SANCTIONS

An offence is any unacceptable conduct, actions or neglect that violates the RCLS, Student Resident Agreement or Georgian College’s policies. Offences are described and classified based on three levels of increasing severity. Sanctions are the consequences for offences, which are described in detail in subsequent sections of the RCLS. At each level of offence and/or after repeated offences the severity of the sanctions will increase.

**Level 1 Offences:** Actions that interfere with the rights of another individual or community to the peaceful use and enjoyment of their space in residence. **Normal Point Range: 1-2**

**Level 2 Offences:** Actions that create a significant nuisance and/or disturbance to an individual or community and/or repeated level one offences. **Normal Point Range: 2-4**

**Level 3 Offences:** Actions that endanger the safety and security of an individual; significantly compromise or damage personal or Residence/Georgian College property; attack the dignity/integrity of an individual; contravene the laws of the land; and/or repeated level two offences. **\*Please note that any Level 3 Offence may warrant an eviction. Normal Point Range: 4-6**

### THE POINT SYSTEM

The point system is designed to help define the seriousness of specific behaviours and where a Resident stands in the disciplinary process (i.e. how far away they are from eviction). All offences are associated with points ranging from a value of 1 through 6. All offences have a minimum value of one point. The assigned number of points will depend upon the incident and/or its severity. Points remain on record for the academic term, or as stipulated upon eviction. A Resident that has been found responsible for an offence will be subject to sanctions as determined by Residence Staff. Sanction(s) may be educational, restorative, or punitive in nature. In some circumstances, points may be removed after the completion of educational or restorative sanctions. Within the Point System, the progressive disciplinary process is summarized by the following table:

Points Accumulated	Stage in Disciplinary Process
1-3	Warning
3-5	On Notice
5-8	On Probation (Typically includes Behaviour Contracts and/or Suspensions)
9+	Eviction (Exception: Any Level 3 Offence could warrant an eviction even if the point accumulation is less than 9)

## SANCTIONS

Sanctions are consequences for behaviour that violates the RCLS, Student Residence Agreement, or Georgian College policies. These sanctions are explained in detail, including any relevant deadlines or payment information in a Decision Letter written by Residence Staff. Sanctions are intended to be primarily educational and restorative in nature. Sanctions may be used independently or in combination for any single violation. Repeated and/or multiple violations shall increase the severity of sanctions applied.

In most circumstances, the following range of sanctions may be applied at each level of offence.

### **Level 1 (1-2 points)**

- (a) Warnings – a verbal or written caution that continuation or repetition of the offending behaviour will constitute more serious sanctions in the future.
- (b) Community Service – tasks or roles assigned as sanctions, which contribute positively to the reputation, welfare or condition of the Residence or surrounding community.
- (c) Confiscation – removal of items from the possession of Residents that violate the Residence Community Living Standards.
- (d) Educational – tasks assigned as a sanction designed to promote learning and development.
- (e) Fines – a sanction applied to a Resident whereby they are required to pay a monetary fee.

The PNG individual is also prohibited from attending any residence events which occur outside of the building. A copy of the PNG letter is filed with Campus Security. ### **Level 3 (4-6 points)**

## **PRIMARY AND SECONDARY CONTACTS**

Every resident is required to identify two people as their Primary and Secondary contacts. It is suggested that these people are parents or legal guardians of the resident, as they serve as emergency contacts. They may also be contacted if any other significant concerns or problems arise with the resident, such as significant violations of the residence rules, late payments or fees, or concern for their well-being. Sections 5.01 and 5.02 of the SRA provide more details about the Primary and Secondary Contacts.

## **5. JUDICIAL PROCEDURES**

### **PRINCIPLES OF NATURAL JUSTICE AND PROCEDURAL FAIRNESS**

The Principles of Natural Justice and Procedural Fairness must prevail in Judicial Procedures to uphold the principle that justice must not only be done, but be seen to be done. The principles are explained below:

- (a) The Resident has the right to be informed of the allegation(s) of Offence(s).
- (b) The Resident is entitled to an opportunity to respond to allegation(s) of Offence(s) at a meeting with Residence Staff and is also entitled to a reasonable notice of the time, place and nature of the meeting.
- (c) The Resident is presumed not to be guilty of the alleged Offence(s) until an impartial and unbiased Decision-maker has determined the Offence(s).
- (d) The Resident is entitled to reasonable disclosure of evidence of the Incident Report prior to a decision. Fact-finding occurs at a meeting with the Decision-Maker.
- (e) At meetings to discuss level three offences, the Resident is entitled to call a reasonable number of witnesses to the meeting to discuss alleged Offence(s). This must be arranged with the decision-maker prior to the meeting.
- (f) The Resident is entitled to be advised in writing of the Decision about the alleged Offence(s) and the Sanction(s) applied, (if any). The Decision about guilt or innocence and any associated Sanction(s) should be made within a reasonable time.

### **STANDARD OF PROOF**

The information necessary to prove that an offence has occurred is referred to as the standard of proof. Outside of a court of law, the model used by Georgian Colleges is the called the balance of probabilities. The standard of proof has been met if at the conclusion of an investigation, based on all credible information, the Residence Staff believes that the incident reported probably occurred. This means that the information provided in the Incident Report and in the judicial meeting demonstrated that the violation is more likely than not to have occurred. The standard of proof for criminal cases is beyond a reasonable doubt, which does not apply in Residence Judicial Procedures.

### **INCIDENT REPORTS AND JUDICIAL MEETINGS**

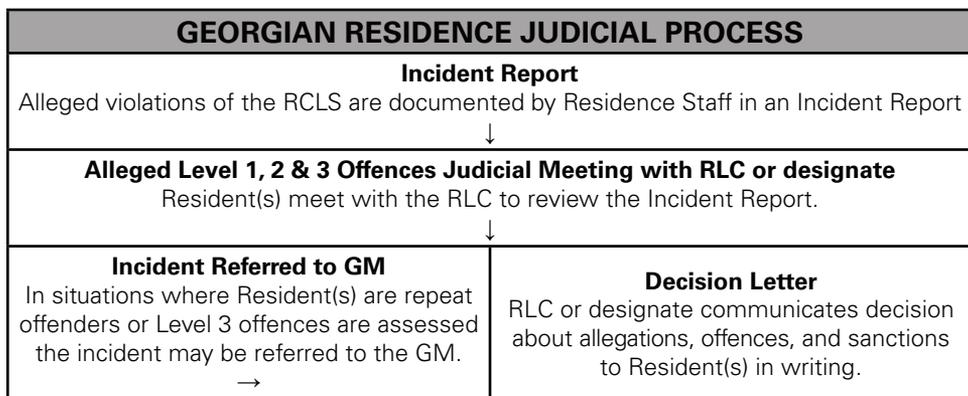

A summary of the Judicial Process is presented in the chart following this section. The procedures explained in this section are applied in normal day-to-day situations but may vary in extraordinary circumstances.

Residence Staff will record behaviours, actions or negligence that may be Offences against RCLS in Incident Reports, which will usually be written and submitted to the Residence Office within 72 hours of the Incident. When necessary, the Incident Report may also include appendices, such as e-mails, photographs, or Security, Police, or Fire reports. Residence Staff will notify the Resident(s) of the alleged Offence(s) and will notify them of a meeting to discuss the matter within one week of receiving the Incident Report.

The purpose of a Judicial Meeting between a Resident and a Residence Staff member is to investigate allegations of offences detailed in an Incident Report. This is the opportunity for Residents to be heard and explain their behaviour to the Residence Staff member. While these meetings must comply with the Principles of Natural Justice and Procedural Fairness and may result in formal sanctions, they are not designed to be highly formal in nature. At the conclusion of the meeting the Residence Staff member will follow-up with the Resident in writing with a Decision Letter within one week of the meeting, which will outline all necessary decisions about offences, sanctions and any related deadlines. If the Resident fails to attend the Judicial Meeting with the Residence Staff member, the Residence Staff member may choose to proceed and make a decision based upon all evidence available.

### **COMMUNICATION BETWEEN RESIDENT(S) AND RESIDENCE STAFF**

Residence Staff will endeavor to communicate with Residents via several methods to discuss Incident Reports, deliver Decision Letters, and any other important aspects of the judicial process: (a) an e-mail to their Georgian College e-mail account or the account provided in their application, (b) a letter placed in a Residents mailbox or under a Residents room door, or (c) in person. Attempts to contact and communicate with a Resident are deemed to be satisfactory when any two of the above methods have been used by Residence Staff.

### **RESIDENCE EMERGENCIES**

Although the three levels of Offences and the Judicial Procedures are intended to apply to most situations related to behaviour, there are conditions that warrant a heightened level of concern for safety, security, health and wellbeing. These conditions require special authority and guidelines. The following definitions and procedures ensure a swift, effective response to conditions to protect Residents, guests, staff, the community and the Institution. In consultation with the College and its threat assessment and emergency procedures, the General Manager is granted extraordinary authority to respond to Residence Emergencies.

### **DEFINITION OF A RESIDENCE EMERGENCY**

In consultation with the College, the General Manager is authorized to determine if Residence Emergency conditions exist, which is defined by any one of the following:

- (a) evidence that a Resident, student, or staff has been harmed or appears to be in danger of harm,

- b) evidence that a Resident, student, or staff has harmed or poses a threat to harm another individual or the community,
- c) evidence that a Resident, student, or staff has inflicted self-harm or appears to be in danger of doing so.

## RESIDENCE EMERGENCY PROCEDURES

In consultation with the College, the General Manager is authorized to:

- (a) suspend other rules in order to effect a swift response to a Residence Emergency
- (b) turn the matter immediately over to appropriate authorities
- (c) immediately relocate the Resident(s) involved within the Residence or off campus, pending a meeting with the Resident
- (d) authorize an Exclusion, which takes effect immediately and without prejudice or notice, pending a meeting with the Resident. This means that the individual:
  - a. is prohibited from accessing any service or facility of the Residence
  - b. may be escorted from the Residence and/or the campus
- (e) determine Sanction(s) at Levels 1, 2, and 3, following a meeting with the Resident.
