Part-time Program Delivery Plan

**Cybersecurity (CYBE)**
**Ontario College Graduate Certificate**
**Winter 2024 intake**

Graduation Requirements: 12 Program Courses, 1 Co-op Work Term

This program is delivered through GC Flex which means you can choose to take courses in-person on campus, online virtual classes or online asynchronous. For more information on GC Flex, refer to our Information Package.

Part-time students can take 1, 2 or 3 courses per semester. You do not have to take the same number of courses each semester. You are required to follow the course sequencing listed below.

We have a choice: 3 courses per semester or 2 courses per semester. If you prefer to take only 1 course per semester, connect with us for permission to do so.

==Registration opens December 18, 2023 – REGISTER EARLY!!!==

**If courses are FULL when you go to register on or after December 18th, connect with us to open the course for you. We have seats available in the courses on the sequencing below and will ensure you get the courses you need.**
