ACUTE COMPLEX CARE FOR INTERNATIONALLY EDUCATED NURSES

Program: ACCA  
Credential: Ontario College Graduate Certificate  
Delivery: Full-time  
Work Integrated Learning: 2 Clinical Placements  
Length: 2 Semesters  
Duration: 1 Year  
Effective: Fall 2019, Winter 2020  
Location: Barrie (Winter), Orangeville (Fall)

Description
This program is designed to assist Internationally Educated Nurses (IENs) in developing themselves further as a nurse practicing in acute complex care and prepare them with the clinical skills to work in an acute complex care setting in Ontario. Emphasis is placed on the application and evaluation of advanced theories and practice in acute primary care, and guidance of others as part of the health care team. Students gain advanced theoretical and experiential knowledge in pharmacology, health assessment and emergency nursing through classroom instruction, simulation labs and practicum placements.

In order to provide quality practicum placements, students will be placed in a variety of agencies in the region serviced by the campus. Students are required to provide their own transportation.

Career Opportunities
Graduates may find employment opportunities in acute primary care settings within general hospitals, special hospitals, nursing homes, homes for the aged, clinics or community health services.

Program Learning Outcomes
The graduate has reliably demonstrated the ability to:

1. contribute to an interprofessional team based approach in decision making and problem solving to promote optimal client care;
2. integrate patient information, theoretical, and clinical evidence based knowledge to prioritize and provide comprehensive care;
3. assess acute complex conditions to anticipate changes and adapt interventions to promote optimal client care;
4. integrate strategies in self-evaluation that improve competencies and outcomes in the practice of specialty nursing and evidence based practice;
5. analyze research, emerging health information and technologies to support client care;
6. employ environmentally sustainable practices within the industry;
7. implement culturally sensitive nursing care that honours human dignity, respects diversity and embraces different ways of being in a Canadian context.

External Recognition
Registration with the College of Nurses of Ontario is a legal requirement to practice nursing in Ontario and is subject to the regulations and restrictions of this governing body. Completion of this program does not guarantee College of Nurses of Ontario registration. Students who have completed nursing education outside of Canada and wish to practice in Ontario should visit the College of Nurses of Ontario website http://www.cno.org/en/become-a-nurse/new-applicants1/outside-canada/ for information.

The Program Progression

Fall Intake (Orangeville)
- Sem 1: Fall 2019
- Sem 2: Winter 2020

Winter Intake (Barrie)
- Sem 1: Winter 2020
- Sem 2: Summer 2020

Admission Requirements
- post-secondary degree in nursing from an accredited nursing education program;
- current registration with the nursing regulatory body in their home province/state and or county; (i.e. letter, membership card, etc.); and
- applicants must submit a current letter from an employer’s human resource department verifying employment as a nurse.

Criminal Reference/Vulnerable Sector Check
Placement agencies require an up-to-date clear criminal reference check and vulnerable sector check prior to going out on placement. Students should obtain their criminal reference three months prior to placement; checks conducted earlier may not be considered current. As some jurisdictions require longer lead-time for processing, please check with the program coordinator to ensure you allow for sufficient turn-around time. It is the student’s responsibility to provide the completed document prior to placement start.

NOTE: Individuals who have been charged or convicted criminally and not pardoned will be prohibited from proceeding to a clinical or work placement.

Additional Information
Students must have up-to-date immunization records in compliance with the Public Hospitals Act. Students must also have a valid mask fit test and Level HCP CPR and Standard First Aid. Students are to use the Clinical Preparedness Permit to document completion of these clinical requirements.

Completion and submission of this permit is required in order to ensure placement in clinical and field placement facilities.

Students will be placed in a variety of agencies in the region serviced by the campus. Students are required to provide their own transportation to the placement site.

This program will prepare the IENs to work within scope of practice for Registered Nurses according to the Standards of Practice of the College of Nurses of Ontario in an acute primary care setting that may include hospitals and urgent care settings.
Graduation Requirements

8 Program Courses
1 Communications Course
2 Clinical Practice

Graduation Eligibility

To graduate from this program, a student must attain a minimum of 60% or a letter grade of P (Pass) or S (Satisfactory) in each course in each semester. The passing weighted average for promotion through each semester and to graduate is 60%.
