

HAIRSTYLING

Program: HAIR

Credential: Ontario College Diploma

Delivery: Full-time

Length: 3 Semesters

Duration: 1 Year

Effective: Fall 2019, Winter 2020, Summer 2020

Location: Barrie

Description

This program covers all of the required skills needed to work in the Hairstyling trade. Offered in a condensed format, students complete the diploma in one year. Through progressive levels of theory and practical techniques, the program focuses on hands-on training in hair cutting, styling and design, as well as colouring and lightening, chemical texturizing, permanent wave, and hair additions. In addition, students will be introduced to relevant legislation in the trade, health and safety issues, professional ethics, communication skills, and entrepreneurial practices.

Career Opportunities

Graduates of this program will have completed all required in-school hours for the trade certification exam. Certified Hairstylists may find work in a variety of hair salons or other businesses that require similar services (for example, the entertainment industry). In addition, graduates may find work in the related industries that supply and manufacture hairstyling products. In certain circumstances, individuals with an Ontario College Diploma may acquire additional educational credentials, which could offer enhanced employment opportunities.

Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. complete all work in adherence with professional ethics, government regulations, workplace standards and policies, and according to manufacturer's specifications, as applicable;
2. facilitate the provision of a healthy and safe working environment and perform sanitization procedures in accordance with related health regulations and legislation;
3. apply entrepreneurial skills to the operation and administration of a hair styling business;
4. adapt to various and changing technologies, applications, and procedures in the hair styling industry, and develop and present a plan outlining future professional development;
5. develop and use client service strategies that meet and adapt to individual client needs and expectations;
6. select and administer preparatory procedures and/or treatments to the hair and scalp using individually selected products to meet the expectations of the client;
7. identify, select, and use a variety of tools to cut hair according to the needs and expectations of the client;
8. select and use standard and specialized techniques to effectively style wet and dry hair;
9. perform a permanent wave using current and relevant methods according to hair type and style;

10. chemically relax hair by selecting and applying relevant knowledge of, and skills with, chemical products and techniques in order to meet the needs and expectations of the client;
11. colour, lighten, tone, highlight and lowlight hair, and/or remove pigment to the level of colour desired;
12. compare and contrast fibre types, application procedures, specialized tools, and maintenance procedures when working with hair additions;
13. perform hairstyling using environmentally sustainable practices.
