Description

Students develop the knowledge, skills and experience to succeed within the sport industry. The fundamentals of business administration are introduced through courses in accounting, marketing, technology, research, and entrepreneurship. Operations in sport organizations are explored through curriculum in fundraising, sponsorship, program planning, leagues, tournament organizing and scheduling, fitness, outdoor recreation and facilities. In addition to the theoretical components of the program, practical experience is obtained through community leadership opportunities and field placements.

Career Opportunities

Graduates of this program may be eligible for entry-level positions within amateur athletic associations, professional sport organizations, sport governing bodies, regional, provincial, national and international sport competitions, municipal parks and recreation departments, college and university athletic centres, varsity and intramural programs, community facilities, resorts, private and commercial clubs, event companies, outdoor adventure centres, sport retailers, equipment manufacturers, sport related charities and foundations.

Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. assess the political, economic and historical context when developing business strategies for a sport organization;
2. perform work in compliance with relevant statutes, regulations and business practices in the sport industry;
3. provide leadership in order to accomplish organizational goals;
4. support the administration and operations of a sport organization;
5. develop marketing strategies for a sport organization;
6. use information technology and software programs relevant to the sport industry;
7. employ accounting and financial information to support the operations of a sport organization;
8. plan, implement and evaluate sport programs and events;
9. conduct and present research to support business decision making in a sport organization;
10. develop strategies for ongoing personal and professional development as a sport industry professional;
11. employ environmentally sustainable practices in the sport industry;
12. apply entrepreneurial strategies to respond to opportunities in the sport industry.

Criminal Reference/Vulnerable Sector Check

Placement agencies require an up-to-date clear criminal reference check and vulnerable sector check prior to going out on placement. Students should obtain their criminal reference three months prior to placement; checks conducted earlier may not be considered current. As some jurisdictions require longer lead-time for processing, please check with the program coordinator to ensure you allow for sufficient turn-around time. It is the student's responsibility to provide the completed document prior to placement start.

NOTE: A record of criminal offences, for which a pardon has not been granted, may prevent students from completing their placements, thereby affecting their ability to graduate.

Additional Information

Students are required to have Standard First Aid and CPR on admission to the program (on-line courses are not acceptable). It is the student's responsibility to renew their Standard First Aid and CPR certification annually while in the program. Students are asked to submit a copy of

their current Standard First Aid and CPR certificate to the coordinator of the program.
