

EVENT MANAGEMENT

Program: EVNT

Credential: Ontario College Graduate Certificate Delivery: Full-time + Part-time Work Integrated Learning: 1 Field Placement Length: 2 Semesters Duration: 1 Year Effective: Fall 2023 Location: Barrie

Description

Events can be used to stimulate economies, develop community awareness, increase public involvement, improve quality of life, raise funds and market products. Managing a successful event of any size requires extensive know-how and planning. In Georgian's Event Management program, you gain the skills and experience to prepare for an exciting career in a fast-paced industry that relies on client satisfaction. The curriculum, designed by industry professionals, enables you to explore current trends and technologies that drive the industry. You have opportunities to gain hands-on experience in planning, marketing, executing and evaluating events. By the end of the program, you are equipped with the knowledge, skills, and practical experience to find employment in the event industry.

Career Opportunities

Special events happen in virtually all industries, geographical areas, and climates. Communities hold festivals and public events, conferences and live events. There is also a demand for qualified professional planners in event planning in the not-for-profit sector. Graduates may find employment with charitable organizations/not for profits, community and sports associations, meeting and convention planning, hotels and resorts, convention centres, destination management and marketing and PR firms.

Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

- 1. create, plan, and design an event to meet organizational and/or client needs;
- coordinate event site logistics, and staging, to achieve the event objectives;
- 3. plan, promote and produce marketing plans and communications for events that meet organizational and/or client objectives;
- coordinate staff, contractors and volunteers to deliver the desired results of an event;
- 5. manage the financial aspects of an event to meet event objectives;
- manage the business operations for administration, procurement, and oversight of event projects, to meet organization and/or client needs;
- 7. develop strategies to mitigate risk and liability to ensure the safety and security of participants during an event;
- conduct oneself in an ethical and professional manner with clients, contractors and participants of events in order to create positive experiences and relationships;
- formulate strategies that support intercultural awareness and inclusion to create events that meet the needs of diverse populations;

- select industry standard technology platforms, systems, tools and applications to support the planning and operation of events;
- develop and implement funding mechanisms to support event objectives such as sponsorship programs, fundraising initiatives, and/or grants;
- 12. engage in ongoing learning for professional and career growth;
- 13. apply basic knowledge to make appropriate recommendations in a catering enterprise;
- 14. employ environmental sustainable practices to achieve globally recognized goals.
