

MOURNING, GRIEF AND BEREAVEMENT

Program: MGBE

Credential: Certificate

Delivery: Part-time - Online

Duration: 168 Hours

Effective: Fall 2023

Location: Orillia

Description

This program aims to promote awareness and understanding of loss and death and how it affects individuals. Courses in the program focus on mourning, grief and bereavement issues, communication strategies and religious philosophies of dying and death from the perspective of both the dying and bereaved. Graduates of this unique program will have the skills and experience to better understand, support and care for those facing or coping with loss and death.

Career Opportunities

This program is ideal for individuals who work with mourning, grief and bereavement through loss and death. It is geared for those working with the terminally ill, their families and for those who provide support and assistance to those affected by death including police officers, fire personnel, early childhood educators, teachers, paramedics, social workers and employees and volunteers in hospitals, hospices and long term care facilities.

Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. reflect on personal views, beliefs and experiences of death;
2. describe the role of thanatology and death education in society;
3. describe death rituals, customs and ceremonies of several major world religions;
4. describe common reactions and responses to death;
5. list and explain common models of grief;
6. conduct a grief interview;
7. locate various forms of therapy for specific groups and individuals;
8. discuss the importance of intervening in death notifications;
9. discuss current trends that are evolving in the field.

Admission Requirements

OSSD or equivalent with

- Grade 12 English (C or U)

Mature students, non-secondary school applicants (19 years or older), and home school applicants may also be considered for admission. Eligibility may be met by applicants who have taken equivalent courses, upgrading, completed their GED, and equivalency testing.
