All applicants to Georgian degree and graduate certificate programs are required to complete this form.

If you have attended (or are attending) Georgian College, you must also complete this form. You do not have to request a Georgian College transcript.

You must fully disclose all post-secondary education (college and university) that you have attended or are currently attending.

Whether you graduated, just took a few courses, or are currently enrolled, it is very important that we receive official transcripts from each institution. You must disclose studies that you passed and failed.

Withholding information can result in offers being rescinded or students being withdrawn from their program. Students cannot declare previous education after they are admitted, also retroactive *transfer credit* requests will not be considered.

Transfer credits are credits toward your program that you can receive for life experiences or academic work that you have done at another school. If the courses/experiences are similar to work you need to do for your program at Georgian, you may end up saving time, and money, by not having to re-take courses.

You must provide original transcripts from all institutions even for those outside of Georgian College and Ontario. If educated at a college or university in Ontario, you **MUST** request these through the online transcript application service through your application at ontariocolleges.ca
