

## 2018-19 Honours Bachelor of Interior Design (BAID)

Please submit four creative pieces plus one written document as described below:

1. Perspective line drawing of a chair: black line with construction lines to show proper perspective methods are encouraged. You may use your choice of medium.
2. Perspective line drawing of an interior space or building façade. This should be from an actual space or building and not from your imagination or an abstract method. You may use your choice of medium.
3. Colour still life study demonstrating your use of colour and composition. Must include the following: teacup and saucer (the cup must not be placed in the saucer), a book, a transparent glass vessel and a silver candlestick. You may use your choice of medium. (All in one drawing.) It is essential that these drawings be created from looking at actual objects and buildings, not from your imagination or a photograph. Submissions are reviewed specifically to assess your ability to draw with realistic and accurate depth, perspective, and proportions, as well as to assess your representation of texture, reflection, shade, and shadow.
4. A work of your choice, which may include a three-dimensional object you have designed or created, a subject or type of work that is not included in the list above, or work related to interior design.
5. A written document of 350 words, which describes your interest in and knowledge of the interior design field. We strongly recommend you research and refer to current issues in the interior design profession and include any influences affecting your decision to pursue a career in the interior design discipline.

### Steps for Submission:

1. Provide a description of each image included in your portfolio (i.e., Date, Medium, Image/Concept, etc.)
