

GEORGIAN COLLEGE HEALTH, WELLNESS AND SCIENCES – Owen Sound Campus
CLINICAL PREPAREDNESS PERMIT

Notice: Upon your **acceptance** into this program, it is your **responsibility** to start and meet all of the requirements outlined below. This process will take **10 – 12 weeks** to complete and it is your sole responsibility to ensure you maintain and update these requirements as needed for the duration of your program.

This is the Georgian College Health, Wellness and Sciences Clinical Preparedness Permit. Georgian College works in collaboration with Synergy Gateway, a third party, for recordkeeping and tracking program requirements. **Georgian College reserves the right to issue a pass or a fail for a clinical permit.**

If you **fail** to MEET these requirements by the given deadline, you **will be excluded** from clinical practice as per Ontario legislation that specifies certain surveillance requirements for those entering into a practice setting that are in accordance with the Public Hospitals Act and are based on the Canadian Immunization Guide, Evergreen Edition and Canadian TB Standards, which can jeopardize your academic standing and lead to program **withdrawal without refund**. All costs, service fees and fines associated with the overall requirements and potentially the program withdrawal are the responsibility of the student.
