## GENERAL CARPENTER APPRENTICESHIP

Apprenticeships are workplace-based training programs. Georgian College's Muskoka Campus offers the in-school portion of training for final certification for existing general carpenter apprentices.

### FACULTY

Benefit from the experience and expertise of friendly and approachable instructors who have worked in this field.

### ADMISSION REQUIREMENTS

- Currently employed in the trade and formally registered as an apprentice
- Contact the Apprenticeship Office for admission requirements

### INTERESTED IN APPRENTICESHIP TRAINING?

#### Step one:

Find an employer who will agree to hire and train you.

#### Step two:

Together with your employer, you will meet with a Ministry of Advanced Education and Skills Development (MAESD) training consultant who determines whether the agreed-upon training will meet all apprenticeship requirements.

Working with your employer or sponsor and MAESD, you will complete your on-the-job training and your in-school training at Georgian College. MAESD will determine when you will attend your in-school training.
