AT YOUR SCHOOL, OFFICE OR COMMUNITY CENTRE

## GEORGIAN INFO SESSIONS

Offered year-round (one hour)

We'll bring technology that appeals to your interests at these tailored info sessions. Along the way, we'll cover what's offered at Georgian, how much residence costs, and why our graduate employment rate is the highest in the province.

## CAREERS PRESENTATION

January to June (one hour)

Georgian helps bring your Grade 10 career education class to life. Incorporating information on current labour market trends and the exciting careers of tomorrow, we'll bring real-world and postsecondary expertise to help students find their way from high school to the careers of their dreams. Group tours available by appointment.

## ALTERNATIVES TO THE VICTORY LAP

January to June (30 minutes to one hour)

Let us help your Grade 12 students (and their parents!) discover pathways to success they never knew existed. We'll cover everything from apprenticeships and skilled trades to certificate programs and the benefits of General Arts and Science programs. Most importantly, we'll explain the partnerships between colleges and universities that help students achieve their goals.

## POSTSECONDARY PATHWAYS

January to June (one hour)

Grade 11 students are finalizing course selections for their last year of high school and are beginning to think about what's next. Postsecondary Pathways will help them navigate the sometimes confusing world of postsecondary education and guide them toward the right pathway for their chosen career. This presentation is suitable for both college- and university-bound applicants.

## RETURNING TO SCHOOL AS A MATURE STUDENT

Offered year-round (30 minutes)

We're here to help. Contact the Student Recruitment Team at 705.722.5152 or [recruitment@georgiancollege.ca](mailto:recruitment@georgiancollege.ca) to schedule an appointment.

## FINANCIAL AID PRESENTATIONS

April to June (one hour)

Discover the real costs of postsecondary education during this financial aid presentation, designed for those about to make the transition to college or university. This presentation covers the cost of being a student, funding resources, the Ontario Student Assistance Program, and handy budgeting tips.

## THE FACTS ABOUT COLLEGE DEGREES PRESENTATION

Offered year-round (one hour)

Do you have questions about college degree programs? This insightful presentation introduces you to degree programs offered at Georgian, outlines facts about college degrees, and shows you how to apply to these career-focused and four-year programs.
