BURNING QUESTIONS

THE COVETED Digital Ninja Patch

1 HOW IT WORKS

Grizzly Go Training Guide is a self guided game where players follow a series of steps and decipher clues that will have you platform hopping around the internet.

2 WHAT MIGHT HAPPEN

You will probably have 72 different windows and tabs open on your computer and phone. You might have to re-read the same step multiple times, you WILL create some passwords and log into a few different platforms. You might even have a little fun.

3 HOW LONG DOES IT TAKE?

A true platform ninja can complete the training in roughly 45min-1hr. It can be started and stopped any time and it is totally cool if it takes you longer. Work at your own pace.

4 WHAT DO I GET?

Once you complete the Training Guide you will have...

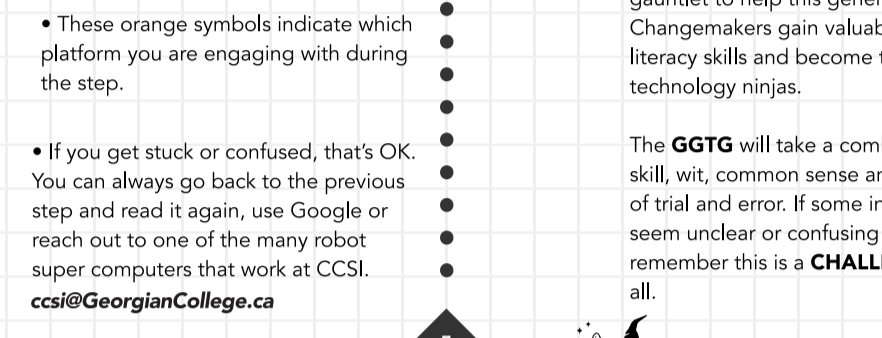

- A sense of accomplishment...maybe
- Sweet digital skills
- More passwords to remember
- Exclusive "Digital Ninja" patch
- A digital goodie - exclusive to the training
- A Changemaker Avatar
- An excuse not to wash your dishes

1 WHAT THE HECK IS THIS THING?

The Grizzly Go Training Guide (GGTG) is the brainchild of a complete and utter mad man. A self proclaimed Digital Wizard was tasked with creating a gauntlet to help this generation of Changemakers gain valuable digital literacy skills and become true technology ninjas.

The GGTG will take a combination of skill, wit, common sense and a whole lot of trial and error. If some instructions seem unclear or confusing just remember this is a CHALLENGE after all.
