- Beginning September 1, 2007, any student with a permanent disability who requires a reduced course load as a learning accommodation and therefore takes additional semesters to complete their program is eligible to pay a reduced tuition fee once the student has paid the equivalent in tuition fees as a student completing the program in the approved duration.
- If you have been identified with a permanent disability and have taken a reduced course load, you may be eligible for tuition reduction once you've reached the maximum fees for your program of study.
- Please complete the application form and have it signed by the appropriate departments. The completed form must be returned to the Office of the Registrar, Barrie campus.
- The Office of the Registrar will then determine if you are eligible for the tuition reduction. If approved, the tuition reduction will be adjusted at the end of the term, once your courses have been completed.
- It is your responsibility to submit this form if you feel you qualify for the tuition reduction.
- If any of the information below changes, you must inform the Office of the Registrar in writing.
